Nude Dudes

Volume 1, Issue 10/11 ▼ Oct./Nov. 2003

Free Membership!

It's no joke – we are now, for a limited time, offering a *free three-month membership* to any guy who will host an event between now and the end of April 2004. Any member will get a three-month extension of his membership under this offer, and a non-member will get a new membership, good for three months from the date you offer to host.

If you've been reading our newsletter before, you know we are in need of guys to host events, and even small places can be used to host a limited size event. —Indoors or out (weather permitting the former), any type of event, including a pool or Jacuzzi party, movie night, potluck, game night, massage party, or whatever you can think of would be great – we just need a place to go to relax & enjoy ourselves!

If you think you live too far from Long Beach, keep in mind that we officially consider the greater Long Beach area our "turf", including Lakewood, Bellflower, the South Bay area, & Western Orange County – in short, anything nearby Long Beach.

If you are interested in hosting an event, please either e-mail, phone, FAX, or snail-mail us at one of the addresses on the last page.

More Free Stuff!

Our members get free classified ads in every issue of our newsletter, as well as free admission at most events! —Join now and get in on these opportunities!

A *new* free feature we are now offering is an E-Mail address!

Members only may get a free forwarding address or a free POP/web mail box in the form of **YourHandle@LBAND.Beach-Cities.com** or **YourHandle@Members.LBAND.Beach-Cities.com**.

Members will be able to sign-up at the members only page, soon to be online.

Our New Web Site is Now Online!

We have a new address for our web site, which now can only change (or be added to!) if we get our own domain!

The older address of <http://LBAND.getto.net> will still work, as it is a redirector service; and our prior *.port5.com addresses will also re-direct, assuming the server is functioning.

Our new web site is at:

<http://LBAND.beach-cities.com>

You can also address it at:

<http://beach-cities.com/lband/>

Your webmaster, newsletter editor, and president is the owner of beach-cities.com, which is being hosted by bbasafehosting.com, in case you wonder.

Our new host has no restrictions on nudity, so you can look forward to natural male images online as well as in print!

Our newsletters will also now be available on the 'net at either:

<ftp://ftp.beach-cities.com/lband/newsletters/>

<http://lband.beach-cities.com/newsletters/>

These addresses will also have an alternate for members only, once our members only site goes live soon.

Anyone Game for a Hot Spring Trip?

Now that the weather is turning cooler, a natural hot spring would be the natural way to continue to enjoy the outdoors.

If you are interested in such an outing, please contact us (see last page for addresses & phone/FAX number) so we can get an idea of interest and schedule an outing.

We'd also love to hear your opinion on whether to do it as a day-trip or an over-nighter, and whether to go to a "local" hot spring, like "Deep Creek", or go farther, like to one between Baker & Las Vegas (Tecopa). ▼

A Nude Society?

Recently I was reading an older book series by Piers Anthony, *The Apprentice Adept* series, where the setting for the main character is on another planet, in the future, where only the wealthy "citizens" wear anything routinely, and the remaining "serf" class people go totally nude all the time.

I found this matter-of-factness about nudity very enlightening, even though the concept of "serfs" is somewhat disturbing by itself. (If you read any of the series, in which there are 7 titles, you will see that these serfs are there (at least somewhat) of their own will.)

There is, in this reality, a city in France, called Cape d'Agde, a costal city that permits total nudity anywhere in town at any time, including while shopping! ▼

Who is this Celebrity Guy?

Last issue's celebrity was "*Gattaca*" (and several others) movie star Jude Law (source unknown).

The answer to who is shown here will be in the next issue.

A hint: I'd be blue, too, if I were on an island where the only other person was my sister. ▼

Would YOU Come to an "Out of Area" Event?

I've been asked a few times by guys outside of our "home turf" (Long Beach & surrounding areas, incl. South Bay, & parts of Western Orange County, like Westminster or Garden Grove) if we'd mind going to their place (one of the later ones was North of L.A. a few miles) for an event. —So, what do **YOU** think?

I personally have a bit of a problem with it while the MTA strike is on, at least, as I have no way of getting there. (Yes, I use public transportation.)

There is a poll about this issue in our Yahoo Group Forum at:

Our Group's Purpose

Long Beach Area Nude Dudes (L'BAND) is a men's naturist/nudist social group. Our focus is as a loosely organized social club, not a sex/adult activity club. (Any sexual activities are at the discretion of the event's host.)

In addition to our membership fees (see left column), we may collect a donation of anywhere from \$0 to \$2 per member, first time guest, or brother club member (with proof) per event, and \$5.00 per non-member per event. –This does not necessarily take into consideration any additional donation for the host's expenses.

We are not a clothing-optional club, instead we ***require nudity***.

We are a private, not-for-profit club that accepts males of all ages (as long as you are at least age 18), nationalities, sexual orientations, and religions.

Guests, visitors from other clubs, and new members are ***always*** welcome!
