Club News

If you are interested in hosting an event at your place (or you can hire a venue & take us somewhere, however unless otherwise negotiated, you're liable for that cost), we're currently offering **FREE Membership** for anyone willing to host an event! Just tell us what activity you'd like to host & when, and we can make it happen! Even if you have a small home/apt., that's OK, as we can limit attendance if needed.

Please fill out our [hosting membership form](#) if you are serious about hosting an event. By the way, we suggest that hosts be within 15 miles of the Long Beach area, so places like Huntington Beach, Torrance, & Bellflower and surrounding cities are fine!

If you would like to host an event in the next few months, please tell us ASAP, as the next newsletter is going out by the end of the month, if I can help it!

We also have a new official option on membership - you can double your membership period by converting (see the [change membership form](#)) or [joining us](#) with electronic delivery of our newsletter! There is no change in membership rate, just the period.

Also, an apology to our members... I've been tossed-around a bit between one

job and another, and being ill repeatedly (in fact, I got a really bad case of the flu w/laryngitis after our last official event in August that took me a month to shake off w/pills, even!), and I've not had the time to organize any events, let alone do a newsletter since the one mailed in October...

So, to make it up to members, your remaining membership period has been extended by a bit more than the time we've recently been on a hiatus. Please see the newsletter envelope (or e-mail or call us) to find out when your membership now expires. And don't forget, you can double that period by converting to electronic newsletter, if you like!

(Oh, if you're wondering, no, I thankfully don't have AIDS, but a genetic disorder that causes my immune system to be weakened at times. Example: I've recently gotten over a bout of getting a cold, allergies flaring up, getting a cold-allergies-cold-allergies-cold-allergies, or at least I think I'm over it for now!)

Also, if you know of anyone with a full-time opening for just about anything clerical, phones/PBX, customer service (no sales, especially on commission, please!), or computers, please have them contact me, John,

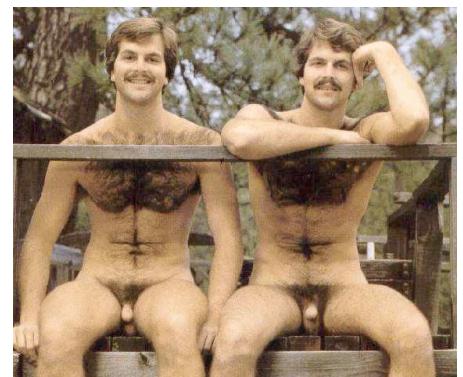

your President, via any club contact method with details. (Prefer within 12-15 miles of Beach Bl. & Garden Grove Bl. intersection in Orange County - or, say w/in 15 miles of 22/405/605 Fwy. crossings.)

We have our own [Internet Explorer Toolbar](#) now, as well as the new [Beach-Cities Internet Service](#) (w/**FREE** & premium dial-up and DSL).

The toolbar will *dynamically update* as we make changes, including posting **VERY IMPORTANT NEWS** in the message scroll box.

And, if you have not looked in a while, there's a few new items in our [store](#).

If you don't have online access and/or aren't reading our newsletter electronically, please contact us (see last page) via any method, and we can provide you with the forms or information necessary.

Who is this Celebrity Guy?

In Vol. 2, Iss. 9 (our last issue), the celebrity of the month was James Marsters, in an unknown role. James is the same guy who played the roll of "Cyclops" from "X-Men" & "X2".

The answer to who is shown here will be in the next issue.

A hint: In his longest TV role, his character's first name is also the name of an animal.

Something to Think About!

OK, much less of a "soapbox" issue this month... Sorry about the "heaviness" of the last one.

Did you know that the word "Gym" and "Gymnasium" come from the Greek word "Gymnos", which means "nude"?

Yes, it's true — the original Greek Olympics were held with the participants all nude. It wasn't until other countries were invited to the Olympics that clothing was introduced into it's events.

Our Group's Purpose

Long Beach Area Nude Dudes (L'BAND) is a men's naturist/nudist social group. Our focus is as a loosely organized social club, not a sex/adult activity club. (Any sexual activities are at the discretion of the event's host.)

In addition to our membership fees (see left column), we may collect a donation of anywhere from \$0 to \$2 per member, first time guest, or brother club member (with proof) per event, and \$5.00 per non-member per event. –This does not necessarily take into consideration any additional donation for the host's expenses.

We are not a clothing-optional club, instead we ***require nudity.***

We are a private, not-for-profit club that accepts males of all ages (as long as you are at least age 18), nationalities, sexual orientations, and religions.

Guests, visitors from other clubs, and new members are ***always*** welcome!
