Three Months, Only One Issue?

I apologize for not being able to get this issue out sooner, and the need to have this issue cover 3 months.

I am still seeking employment, but at this time it would be of a more full-time position that doesn't take so long to commute and require I work 6 days a week.

Most of my days off of late have been moving things (I am temporarily in Westminster) and other errands I need to do.

Things are settling a bit, so the next issue should go out in a more timely manner.

Members will notice that their renewal date has been extended by the appropriate number of issues (months), which appears on your mailing label.

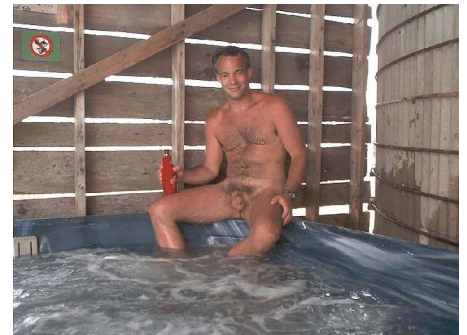

Another reason there was no need to rush and put out this issue is that we've had some nibbles but no bites on guys offering to host an event!

We really need guys to host events!!!

If you don't have space, you might ask your gay guy-friend if he has space – which we don't need much of anyway.

If would be great if you had a large house, a secluded backyard (or enclosed area) with a pool and/or spa, but even someone with a bachelors's pad *can* easily host a handful of guys for an indoor event, like a movie, potluck, game, or massage night.

I'd host an event myself, however I am staying with relatives at the moment and it would not be practical – perhaps after my next move I can do so... Speaking of which, check the classifieds on the next page, please! ▼

Want to Help Us?

We are looking for ways (free, preferably!) to help us get some publicity & let more guys know about us.

We are also looking for venues to hold events at (incl. private homes), and articles or other submissions for our newsletter!

If you can help us out in any way, **PLEASE** give us a call or send us e-mail (contact info is on the back page). ▼

Any Sci-Fi Fans Out There?

September 10th is the 3rd season premier for "Enterprise", and your editor is a big fan of the series...

In past years, when I was with another group, I have hosted some SF parties at my home, but I am not going to be able to do so for this premier, and I was wondering if any of you might care to host an "Enterprise" season premier party Wednesday, Sept. 10th, from around 7pm to around 9 or whenever?

We could all pitch-in for pizza or do it as a pot-luck, if you are interested.

If you have an interest in hosting such an indoor event that evening, please contact us ASAP (contact info on the last page) – If you are interested in attending such, please also contact us by phone and you will be contacted at least 24 hours ahead of the event *IF* such an event is to take place. (No call back on this event would mean no one offered to host.) ▼

Our Group's Purpose

Long Beach Area Nude Dudes (L'BAND) is a men's naturist/nudist social group. Our focus is as a loosely organized social club, not a sex/adult activity club. (Any sexual activities are at the discretion of the event's host.)

In addition to our membership fees (see left column), we may collect a donation of anywhere from \$0 to \$2 per member, first time guest, or brother club member (with proof) per event, and \$5.00 per non-member per event. –This does not necessarily take into consideration any additional donation for the host's expenses.

We are not a clothing-optional club, instead we require nudity.

We are a private, not-for-profit club that accepts males of all ages (as long as you are at least age 18), nationalities, sexual orientations, and religions.

Guests, visitors from other clubs, and new members are *always* welcome!
